

DIE LINE

The solid line is where the job will be die cut.

SCORE LINE

The dashed line is where the job will be scored.

BLEED

Any background images or colors, including borders, should extend to this line.

TRIM

This is where the door hangers will be cut.

SAFETY

Anything important that shouldn't be cut off must be within the safety line. If there are borders, they should extend from the bleed to the safety line, or beyond it.

4.25x11 DOOR HANGER
