## DIE LINE

The solid line is where the job will be die cut.

## **SCORE LINE**

The dashed line is where the job will be scored.

### BLEED

Any background images or colors, including borders, should extend to this line.

#### TRIM

This is where the door hangers will be cut.

## **SAFETY**

Anything important that shouldn't be cut off must be within the safety line. If there are borders, they should extend from the bleed to the safety line, or beyond it.

# 4.25x11 DOOR HANGER
